

Students for Solar

Imagine life without electricity...Well, people all over the world deal with this lifestyle everyday. This is why we have joined the cause to bring sustainable light to Haiti! **DONATE A SOLAR LIGHT** to an **ORPHANAGE IN HAITI** and/or donate to Students for Solar to help us personally deliver them! For more information, and to donate go to <http://onemillionlights.com/>.

To donate: click on the tab 'Donate', then on 'Students for Solar Project in Haiti' in the drop box, and finally click on 'Give Light'!

\$15 to donate a light or \$30 to buy one give one

We'll be at **Sustainability Day on September 21st** accepting donations! Come show your support and help us get to Haiti!!

Any donations to Students for Solar and One Million Lights are very much appreciated!!

For more information about our club and events, like us on **FACEBOOK!** www.facebook.com/studentsforsolar.
